

CORPORATE OVERVIEW

Steady State Logistics LLC is a Florida-based Service-Disabled Veteran-Owned Small Business that sources and resells commercial off-the-shelf (COTS) products to federal, state, and local government agencies. Founded and led by a service-disabled U.S. Army veteran, the company pairs disciplined procurement with small-business agility to deliver accurate quotes and reliable fulfillment on a fast turnaround.

CORE COMPETENCIES

- IT hardware, computer peripherals, mobile devices, and networking equipment
- Office supplies, paper, and printer/copier consumables
- Facilities and janitorial supplies
- Safety equipment and personal protective equipment (PPE)
- Tools, hardware, and fasteners
- Rapid RFQ response, competitive commercial pricing, and drop-ship fulfillment

DIFFERENTIATORS

- Owned and controlled by a service-disabled veteran with 20+ years of DoD and federal IT experience
- Active SAM.gov registration (CAGE 25F56); ready to quote and invoice today
- Low overhead means fast quote turnaround and sharp pricing
- No minimum order: responsive on micro-purchases and small buys alike
- One point of contact for every quote, order, and delivery
- Located in Northeast Florida near NAS Jacksonville, NS Mayport, and NSB Kings Bay

PAST PERFORMANCE

Newly established company actively building its government past performance record. References and documentation are available on request.
